

IN MEMORIAM
MOTHER RENATA TARICIOTTI
1923 - 2017

“I wish to thank the Lord for what each one of you has been for me during these years of my service to the community. You all have been a great gift of the Lord! From the moment I accepted you, my life took on a new direction, one that first moved me to reclaim our Charism, to travel with you Lucy’s journey to holiness. Even if my desire to respond fully to such a delicate and weighty mandate remained unfulfilled in me, I can assure you that I have guarded you in my heart as a sacred treasure entrusted to me by the Lord.”

Taken from a letter of Mother Renata to the sisters when she completed her second term of office as General Superior in 1994.
